“ *"Wolters family - West Drenthe was a brighter spot thanks to your parents. Even after we moved away, our visits to the Holland/Zeeland area were a bit brighter if we bumped into them in church or around town. Your Dad's smile was genuine and infectious, spreading even to his eyes. I like to see smiling eyes like his. I know you'll miss him much more than I ever could but to me that house on the corner of the farm will always be Clarey & Delia's house. Please know that you have our heartfelt sympathy. Bob & Connie"* ”
