“ *"Barry and Ellen, Praying for peace and comfort for you both at this very difficult time. Craig was a terrific person and even though my memories go back to high school, he was one of the first classmates I met having just moved into the best neighborhood ever. We had some great times and a lot of laughter and I'll always remember his kind and gentle nature. May he rest in peace and may you be comforted by all of the joy he brought as your son. -- Beckie (Baker) Bush"*

“*To Kelly, Ben & Lydia,
One of my favorite memories of Craig was playing a spirited round of Uno. I was so excited when I won, that I slammed my hand down on the coffee table and yelled, SHABAM!!!” The look on Craig's face was priceless and we laughed and laughed about it for the remainder of the weekend.*”
