“ *"Kristi, this is such a bittersweet moment. We grieve with you in the loss of Craig but we celebrate a believer gone ahead of us to meet our Lord and Savior. We have many fond memories hanging out with you two over the years. Lots of laughter and that is how we will remember Craig, he loved to laugh."*

“Mr. Heuvelman was a third grade teacher at Rose Park when I first met him. I was in the other third grade class but on occasion we would switch classes or join his class and it was always so much fun. Then a few years later, I had him as my middle school softball coach. He had an infectious smile and would cheer for us girls regardless if we were winning or losing. When I think back over all the teachers I had in my life, Mr. Heuvelman is one of the tops. My thoughts and prayers go out to his family, not only as they grieve, but as they remember his life and the many lives he touched.”

“Dear Kris and family,
I am grateful to God that he has ended Craig's suffering and has brought one of His children to His home. I am sad for you as you and the family are left behind to go on without a loved one. It is my hope and prayer that as life continues, that God will wrap His loving arms around all of you and give you His peace.”

“Dear Kris, Grant and Kacee. You are in our thoughts and prayers during this difficult time. Little did we know two years ago when we said goodbye to sweet Jack that Craig would soon be joining him in heaven. Craig was a great guy who will be missed by many. One of the things that I will remember about him is his smile and laugh. He had a good sense of humor which made him fit into the Tuls family perfectly. Losing a husband and father is no small thing. But we are praying that God will hold you close to His heart of love and give you a gentle healing as you try to journey on without Craig.”
