“ *"So saddened to learn about the passing of Cindy. She was such a pleasure to talk to. She wasn't afraid to tell you the way it was going to be, but in a sweet way, that's what I loved about her. I will miss her popping into the office on her way to or from the store just to say hello. She is now with her beloved Ben shining down on the community in which she made lasting friendships."*

“*What amazing memories we have of your mom and dad. They treated me as an adopted son. Your Mother was an outstanding person. So very glad she was apart of my life. May God bless you all.*”
