“Ms. Cindy Loo Hoo, I miss you. I am so glad I got to know you, and am honored to have been able to care for you, as though you were my grandmother. I enjoyed our times of laughter and tongue twisters. You are the reigning queen of Peter Piper, but I got you beat on the Woodchuck ;-). Though our time together was too short, you will always hold a special place in my heart. Thank you for letting me be a part of your life, for letting me pray with you, hold you hand, and your promise to me, that when you met Jesus, you would give Him a hug for me. Ms. Cindy Loo Hoo, I miss you! Love you always, Michelle PS. I promise to look after Ray, for you, until you are together again! Any time you ask, "where's Ray?", I will still answer you, and yes, you are OK!"
