“ *"Although I, as an adult, did not really know him, I have a memory of him from my childhood. He was our bus driver and every day when I boarded, he asked if I remembered my flute (since I frequently did not), and often stopped back in front of our house so I could run back in and get it. My sympathy to the family."*

“ *"I always enjoyed speaking with him on the regrettably few occasions where we met. I am very sorry for your loss. Love to Aunt Lois, from Nancy"*

“ *"To Tim, Jayne, and Dave. Your father was one of my favorite people and a great influence on me in my life. I thought of him often on trips to Holland wondering how he was doing. I am so sorry to hear of his passing. I pray the comforting hands of Jesus will surround you during this difficult time. To Jayne, I know you have experienced much loss in the past couple of years. I send a special prayer for you."*

“Hi Dave, Your dad was a beautiful human being. I know he enjoyed playing softball because our teams met on several occasions. He was also a great friend of my dad, Tony. They were fishing buddies for a while. He lived a very full life and was a blessing to all who knew.

Sincerely, Steve Bouman”
