“ Dave and I have so many wonderful memories of Dan and his family from our years at Peace Church and beyond. Dan had such a servant's heart and such a gentle spirit. Dave remembered Dan making a stable for a Christmas program - it was a true work of art! Dan passed away on our son Ben's "1st birthday" in heaven and I picture them greeting each other with a warm embrace. I will be praying for the Kooman family as they move forward without Dan. My deepest sympathies and love, Cindy Nyhoff
