“ *"It was with great sadness that we learned recently of Darryl's passing. We had lost communication over the past dozen years but remember him with much fondness as a friend. There was a time when we spent many hours together making good memories. He was a good Man and a offer our deepest sympathies...Jim and Jackie Post"*

“ *"My sympathy to the family of Darryl. We got to know him well at Medi-Lodge as my Mom Esther was there also. He was always nice and friendly, he talked of being a Vietnam vet. During the warmer months last year he occasionally made the trip on his motorized wheelchair to Meijers down the road. We will miss him. May God comfort you."*
