“I'm so sorry for your loss, I was a nurse aide at Freedom village, and over the past couple years I got to know him, and I have to say he was one of a kind. I will never forget his laugh, his smile, and his great sense of humor, there was never a dull moment. He always had some good jokes, and we would always tell each other funny ones, or stories. He was a real genuine, warm hearted man, who I am so happy to have had the privilege to have cared for, and get to know him. He truly had a big impact on me, and I'm forever grateful to have had the chance to know him, your family are in my prayers always. ❤️”

Even though it was hard to see him struggle the last few years, we pray that you are comforted knowing that he is with Jesus - even right now!! Don't you just wonder what he is seeing, doing, feeling - all without any struggles that he went through here on earth. Amazing!! Please take comfort & know that he is doing great! Our prayer is that you will be comforted with the great person who he was, the love he had for his family and the memories of him that will never go away. Love you guys!!! Gordon & Karla Oosting”
