“ *"I'm so sorry to hear about Dave's passing, but learned the last few years have been very difficult for him. I am glad he is reunited with his parents and in the presence of his Savior. I have many memories of Dave and times that his family spent with ours growing up - picnics, trips to Central Lake to visit Dave's grandfather, church events and so much more. Dave called me "Cin" and he was the only one who could get away with that! My love and prayers to Dave's loved ones. Sincerely, Cindy (Yonker) Nyhoff"*

“ *"You have our sympathy on David's passing. He was one of the most courageous persons I have ever met. It was amazing how he took life head on. Now that I have lost my vision, I am reminded of all the hurdles he made on his own. In his own quiet way, he taught me so very much. May God bless your family and know that David is safe in heaven, and we will all see him again someday."*
