“ *"Dave always seemed at peace, and so happy when he was working outside at the Holland Community Garden, where I met and worked with Dave. You could tell it touched his heart seeing others learning, and enjoying their time at the garden as much as he loved being there. Thank you Dave for all of the time, and knowledge you shared with all of us Master Gardener trainees. We know now that God's heavenly gardens are in good hands with you there by His side. Prayers and condolences to the Vander Wege family."*
