“ *Joshua,*  
*I am so sorry to hear about the loss of your dad. I have such warm memories living nearby your parents and how kind and generous they always were. They paid me a dollar an hour to babysit you - which was a lot back then! I used to hope they'd be gone for five hours so I'd get a five- dollar bill, lol ....so many memories of you as a child, all sweet.*

*Amanda, even though I never had the chance to babysat you (I was out of high school) I remember running into your parent's and seeing how excited they were to have a baby girl.*

*Both of you were very special to them. Thinking of of you and keeping you in my prayers ❤️*
