

Dr. David A. Watson, DDS

June 22, 1932 - June 14, 2023

My Precious Husband, David --

On June 14, 2023 you embraced your Savior. I imagine you stepping out on shore and finding it Heaven. Of touching a hand and finding it God's. Of breathing clean air and finding it celestial. Of waking up in Glory and finding it Home!

But I miss you. The memories of our 45 years together comfort me in these hard days. You loved me so well. And you loved your sons: Bob Watson and his wife Terri, Chad Watson and his wife Christie. Each one was a story you would tell anyone who would listen because you were so proud of them. You loved Heidi and Matthew-hug him for me. And how you loved your Grandchildren: Alec (Allie), Elise, Andrew, Caleb, Brenna, Lily and Dylan. And you so enjoyed your brother and sisters-in-law; Ethelanne and John TenPas, Paul and Janiece Swets, Marcia Buck, Faith and Ed Curtis (and her precious son, David), Mary and Don Teasley.

Can you believe I fell in love with you in your dental chair? You were such a kind and gentle dentist to all your patients in Florida. You strived for perfection in your work through a Mastership in further clinical education. Singing tenor in the choir at Coral Ridge Presbyterian Church in Ft. Lauderdale was one of your greatest joys. Music fed your soul and the great hymns and choral masterpieces were your gifts of worship to God.

And now you are with Him. I trust in the plans God had to bring you to Him. I trust in the belief that I will see you again – in His timing. Our love will continue

to sustain me until then. Thank you for loving me. Always your wife, Karen.

“ Hello, I would like to share my condolences with the family, my name is David T. Watson, and I feel as if I have found my way to this page through a divine intervention. I recently met a man named Chad with a different last name, that looks strikingly close to David A. Watson's visage. I notice that there was a Chad in your family tree, so I was just wondering if somehow there is a connection. If you want more information please let me know. I can be reached at David@nostaw.us . I am interested in exploring my family tree and have not met other Watsons through messaging, but perhaps there is some connection that is not totally apparent. In my family I have a father, mother, sister, brother, and two nieces, a sister in law, and relatives in Rhode Island that I know of. I was told that I was Portuguese, Italian, English, And potentially Irish or Scottish as we were related to Villas, Fonsecas, Clouds, and Burns. But there were many more names in our families that have fallen away as my relationship with just my close Watson ties became dominant beyond the extended family. So this is my offering for David A. Watson. I am sure he represented true family to any that have posted to this page, and I want to let you know that there are probably a lot more people out there that would love to share a tribute to David A. Watson, and a lot more relatives to connect with. I hope this simple act of reaching out reflects the spirit of David A. Watson, even at the worst, we hold onto the ones we love, and in a way that is reaching out to hold on even in the darkest. Thankyou I hope David A. Watson find the light and love you spoke of! Good morrow!

“ Dear Karen,
I echo my sister Chris' comments about the great example you demonstrated in loving David as you did. He and our father were special friends, and we loved the relationships that developed at the dining table at Appledorn. These were special times for our Dad and all the men at the table.

Our prayers are with you as you mourn David's loss, but we rejoice in knowing that David is in the arms of our Lord.
