“ *I had the pleasure of working with Dawn at Christos Roadhouse where there was sure to be music playing & songs sung. She had special songs she shared a love with for each if her co-workers. I'll never hear soak up the Sun or Hooked on a Feeling which you always played & sang with me & Austin. Fly high my dear. You will be missed*❤

“ Growing up I spent so much time with Dawn as my cousin.. so many fun times in the pool, camping @ Dutch treat campground , & sleep overs. Over the years as we got older and go through our different seasons in life I hadn't seen her in a long time until she was my waitress at Boatwerks, thankful we got to reminisce about the good old days and laugh about memories she had of my dad. She was a special person! My sincere sympathies to the whole family. ❤️

I feel like Dawn was an old soul who loved music, philosophy, poetry, history, and even politics ! She was very interesting to talk to, very kind and passionate 😊 and she had a smile that could light up a room ! That's how I will remember Dawn with a fiery spirit and beautiful wild hair 😍 She was loved and will be missed.
