“Debbie and Brian have been family friends for over 40 years, and I can't remember a time when Deb didn't have a smile on her face and joy in her heart. She was always grateful to see us and welcomed me with a big hug. She was a perpetual volunteer and supporter of her church family as well as her own. Best Grandma ever. I know she's supervising from Heaven with the love of the Lord guiding her. All our love to her family, Scott Tomberlin

“ Dear Brian and family, we will miss Deb so much. Her presence will always stay at Sunset Bluff. We always had fun sharing photos and notes thru the years. Deers and bunnies eating our flowers. When in town, we looked forward chatting about mundane, loving, fun everyday things of life with Deb. She was a role model of true friendship, generosity and living fully the present moment. Our hearts and thoughts are with you all during these hard times. May the wonderful memories with Deb keep you strong. With much love. Daniel and Maria.

“ We are so lucky to be part of Josh, Britt, Andre, and Brittney's friend circle. This meant that we were blessed to have Mama Delo in our lives. She was the Mama of our group for many years and always made sure to celebrate us, encourage us, and be there for us in so many ways. Her passing is a great loss, and I know I will honor her in how I treat my daughter's friends in the future - with her kind of love. She made a big impact on so many lives, and I am so glad to have known such a wonderful lady.

“ Words cannot express what a sadness I feel in the passing of my dear friend for life, Debbie. Growing up with her brings so many special memories, especially youth group at church, cheerleading squad together, walking downtown almost every school lunch hour so we could catch a glimpse of her Brian at the store he worked at, Co-op functions with our dads, and especially being in each others' weddings. I felt a deep loss when she moved to Holland, living next door to each other as newlyweds was so cool- but life had other plans. Learning so many years ago about her illness brought her to my mind constantly in prayers and for so many years she battled bravely and always with her gentle spirit and great faith. Her courage and strength are something I was just amazed about and I am so happy she's finally able to rest in her Saviors arms while she waits for all the rest of her loved ones and friends to follow. Her legacy is her family, and so thankful she got to have such a great one. Rest in peace dear friend.
