“ *"Deb and I did not keep in touch after graduation at NMU, and I was shocked to read of her passing in the Alumni magazine just today. We were roommates, along with Barb, and I have many fond memories. We were young, energetic and optimistic. Deb had all that and was pretty, kind and smart to boot! My condolences to her family, friends and colleagues."*

“*Deb was the best friend a girl could ask for. Not only in high school, but also college roommate and bridesmaid. So many great memories. Even though the miles and life changes separated us, she was always in my thoughts. Many hearts are broken but we are comforted just knowing you are surrounded by God's glory.*”
