“ *When God sees fit to take someone
So very close and dear
I know that he is with you
Through your worries and your fear.*

*He doesn't take them forever
Though it may seem that way to you
You had them longer than he did
So now he needs them too.*

*You will soon be with them
Someday in Heaven above
And you will live forever
In an everlasting love.*

*We never want our loved ones
To suffer not one day
He removes all pain from their bodies
When they go with him to stay.*

*He doesn't mean to make you sad
Or break your heart in two
For you are his child dear one
And Jesus does love you.*

*So now there is an empty chair
No one can fill that space
But your loved one is sitting there
Though you can't see their face.*

*There is no way that's easy
When it's time to say good by
Give them your love before they go
They live, they do not die.*

My thoughts and prayers as you walk along the journey of grieving!

*In God's Amazing Grace, Hope, Love and Mercy !
