“ *I met Dennis over 25 years ago he was a great friend we hung out a lot then we lost connection I did not see Dennis very much in the last 15 years I did think of Dennis occasionally and I'm sure he thought of me occasionally we have great memories together. He loved both of his boys and would do anything for them. I really regret I Could not go to his memorial to pay my respects to his boys. I will always remember Dennis.

“ *Dennis was a really big man with and even bigger heart. He was so kind and sensitive and tender hearted. I have so many great memories of him and his sons, Riley and Reid, mostly growing up as teens at our farm in New Era, MI. Dennis and I had many, many deep conversations together and I was always struck by his loving heart. He will never be forgotten,*

“ Dennis was always around. He was a genuinely a good friend. He always watched over everyone. He made sure everyone got home alright or whatever was needed.

He used to call me "Mary Jean Evergreen", because we had a Christmas tree farm.

I used to cut his hair for years :)

Whenever we went places, he would say, "Ready Betty"?, and I :Ready Freddy!"

One Thanksgiving, he cooked a beautiful ham. It had criss-cross score marks filled with cloves and pineapple. It looked like it came out off a Bon Appétit magazine. It was quite impressive. I knew he liked to cook, but WOW!

That same evening it was getting late and he was ready to leave. He had on on a badass leather jacket, a cigarette hanging out of his mouth, looking kind of tough. I told him, "Gee Dennis if I didn't know you very well, I might be scared of you, except for the gallon of milk and package of cookies you are carrying"! He was a lot of fun and he will be missed.

Rest in peace my friend.

“ Dennis was my good friend for many years. His love and caring of his two sons was truly inspiring. Dennis had a heart twice as big as he was. Dennis was witty, intelligent and fair with everyone that he came in contact with. I will keep Dennis in my thoughts and in my heart for my remaining days. I hope that his sons stay in touch with me. I will always be here for Riley and Reed.
