“ *"I learned of Dennis' passing last evening while attending a cruise in at the D&W in Holland. The following is a personal tribute I posted on my Facebook page last night.*

"Last year at the Gilmore Red Barn Spectacular show, I met a fellow rodder with a beautiful 1934 Chevy cabriolet. At the time, I was researching what to do with the interior in the Vicky and stopped to admire the details of his ride. His name was Dennis and he was from Hamilton. He answered all my questions and was a real gentleman to talk to. Tonight I met another rodder from Hamilton who was a good friend of Dennis. Sadly, Dennis' funeral was yesterday. He found out last year that his back pain was a fast acting cancer of his spine and lymph system. I didn't know Dennis other than that one conversation at the Gilmore Museum but it saddens me to lose any street rodder. I pulled out two pictures I have of Dennis' 34 and am posting them here as a tribute to this fallen street rodder. RIP, Dennis."

“ *"Such a shock, and our hearts go out to you, Judy and family ~ But, to know he is seeing the Presence of Jesus for real now! Such great memories of a kind, loyal friend at the Bible studies, and who offered fun times to Walker, Zoe and Reuben at your yard in Hamilton . . . May the Lord's strong, everlasting arms uphold you in peace and strength. -- the Wilsons"*
