“ *"Gary and family - My condolences to you and all who will miss Diane's daily smile and laughter. She had such a positive outlook, and even though we didn't see each other often as adults, we shared fun times as children and teenagers. She inspired me to dance! Love her always! “ *"Dear Gary and Family, I am so sorry to hear of Diane passing- we so missed her after her move. She was a great lady and I surely enjoyed getting to know her over the years she spent with us in Pulmonary rehab. We thought a lot of her and all her wisdom and sharing of all her family. I loved seeing her on face book-and was surprised to see had passed. My thoughts and prayers are with you all during this difficult time. Sorry I could not make her service but my prayers were with you all. Sincerely Cathy Schmidt-Pulmonary rehab Heart center."*

“Very sorry to hear that Diane has passed away. I know how much she meant to you. Grandma Jean is dealing with her own health issues right now and is finding it hard to call. But you all are very much on her mind. She just doesn't know what to say, which is difficult for many of us. Know that our thoughts are with you. Mary and Jean Watt”
