

Rev. Dick Merle Stravers

November 7, 1927 - January 12, 2026

Rev. Dick M. Stravers, born November 7, 1927, died on January 12, 2026, at the Warm Friend retirement facility in downtown Holland, Michigan.

He was preceded in death by his parents, John and Sarah (Vos) Stravers, and by four older brothers: Gilbert, Tony, Joe, and Jerry.

He is survived by his loving wife of 74 years, Ruth (Ver Meer) Stravers, and by his sister Janiece (Stravers) Monsma. He is also survived by his children: Rick, Mary, Joy, and Amy, and their spouses; plus 12 grandchildren, 19 great grandchildren, 2 great great-grandchildren, and several nieces and nephews, scattered throughout the United States and Canada.

Dick loved growing up on a farm 12 miles north of Pella, Iowa, walking a mile every day for 9 years to a one-room country school. After graduating from the 8th grade, he attended Pella Public High School and graduated in 1946. That summer, he and 10 classmates joined America's occupation army and he served for a year in a peacekeeping mission in Italy. The G.I. bill made it possible for him to attend college,

after which he taught Latin at Grand Rapids Christian High School. Then he felt called to enter seminary, becoming ordained as a pastor at the age of 36. He served churches in Cleveland, Ohio; and in Kalamazoo and Grand Rapids, Michigan, retiring in 1992. His retirement years were a wonderful gift from God. He continued to preach and visit the sick and elderly in a number of churches in the Holland area, especially Pillar and Holland Heights Christian Reformed until age 85.

He loved camping with his family. During his final years, his favorite activity was reading: the Bible, autobiographies, memoirs, and books dealing with the stormy political situation in the United States. He loved having the freedom to spend precious time conversing with his children, grandchildren, friends, and strangers. Many of those conversations occurred on the bench in front of their home on 8th street, where he delighted in the stories people shared with him.

The family thanks the loving people at Faith Hospice, Warm Friend, Pillar Church, and the community of Holland for the wonderful joy and care they brought to his days. His response to all this was, "I feel the love."

Visitation with the family is 10:00-10:45 am on Monday, January 19, 2026, at

“ Dick was our first pastor at Southern Heights Church in Kalamazoo. He and Ruth were always so kind and hospitable. I still marvel at how they hosted the entire congregation in small groups in their home on Sunday nights after a full two-service Sunday and while caring for four young children. We so enjoyed seeing them again occasionally after they moved to Holland. Their energy level was inspiring to all of us as we aged.

We were unable to attend the service for Dick but watched it online as well as the video of his life. Such a gift! It was so good to see and hear Rick. He was one of my high school students when I taught in Kalamazoo in the 60's. So many fond memories of those years! We extend our deepest sympathy to you, Ruth, and to the whole family. Dick will live on in our hearts and memories. The world needs more of what he shared--kindness, empathy, and hope.

“ *What memories we have of Dick Stravers. He helped Pillar through tough times in so many caring and helpful ways. Through everything, he and Ruth kept their balance with a great sense of humor and heart for others. I hope I honor him by describing his preaching with the Bible in one hand and the newspaper in the other. I trust that this is the way he lived as well.*

“ *Dear Ruth and family, I extended to you sincere sympathy in the loss of Dick. I am a daughter of Ade and Jean Geenen; that is an important note because it was through my parents that I came to know their friends, the Stravers. I recall with great fondness peels of laughter rising to the rooftops when the couples visited in our home in Kalamazoo. Years later, my heart was warmed when my own young family returned for visits to Pillar Church — Dick and Ruth were sure to greet us with warm hugs, beautiful smiles and, with that twinkle in his eye, Dick would demonstrate that he knew exactly which one of the five sisters he was greeting when he asked, “How is life in Minneapolis?” When Dad passed away fourteen years ago, our extended family was blessed beyond measure as Dick ministered to him and to us. And, even in these last years, we’ve enjoyed the occasional greeting at Warm Friend ... one of which as he was sitting on the front bench. 😊 A long life lived well and filled with love! Thanks be to God!! May you be comforted in your great loss with the assurance of greater Hope.*

“ Whenever I think of Dick and Ruth Stravers a warm glow comes over me. What delightful people! I served a RCA congregation while they were at West Park CRC. The fruit of the Spirit certainly was evident in Dick's life. May you celebrate a life well lived and may you grieve with confident hope!

“ Dick was a man with whom you wanted to spend time. His gentle demeanour and love of people was not to be mistaken for meekness. His passion for justice and desire for a better world were forefront in his beliefs—and often delivered with a twinkle in his eye. Dick’s life was centered around his love of family and his faith and he will be missed by so many—but no one more than his life-partner, Ruth. His family and friends should find comfort in knowing that they had the fortune to having Dick as a guide and inspiration in their lives.
