“ I will never forget our wonderful Uncle Don!  
He was a lot of fun and always had time to  
play with Barb and I, and he told us great  
stories and he even let me drive his new red  
Chevy Impala once!

I was also honored to play at his and Aunt Loie's wedding in  
Oakland CRC.

Rest in peace Dear Uncle. We will meet again!  
Our deepest sympathy Aunt Loie and family.

“ Our sympathy to you Louie and family. We lived next door to your  
mom and dad and enjoyed your visits to our neighborhood. Always  
good to see you thru the years and see the kids grow up. Grandpa  
Earl would love the visits and always be so excited afterward. Our  
sympathy to your dear family.
