“ I am saddened to learn of Don's passing. He was one of a kind and a lot of fun to be around. I will miss his wit, generosity of spirit, and good nature. He was kind enough to bring me to the cabin in the UP. I've been hankering to get back there ever since. The world is a lesser place without him.

“ I enjoyed the time we spent together in the cabin in the upper peninsula. Sitting around the woodstove and telling jokes and listening to the music will be one of my fondest memories.

“ Some of my fondest memories from my early years at Varnum were the times spent working with Don. He was incredibly welcoming and a wealth of knowledge. The lessons I learned from him I still carry with me today. He was a true mentor and will be greatly missed.

“ I worked with Don for many years at Varnum and greatly appreciated his positive attitude, sense of humor and genuine concern for others. Things always looked a little brighter after talking with Don. I remember clients having a great time at the sporting clay events he organized. Our sympathies to Don's family and many friends.

“ For years Don's office was just down the hall from mine at Varnum. His wisdom and sense of humor was a daily blessing.

“ I am going to really miss going to the U.P. cabin with Don and Jack to "work" on the place share stories about both the cabin and life in general. Always enjoyed hearing Don talk about life and some of things he has seen growing up and his career as an attorney. Will always have fond memories of him until we meet again. Emil Selich

I remember many a time I would go to Don to seek his advice on one matter or another. He was always so welcoming and helpful -- a true delight to have as a colleague here at Varnum. I too will miss him. My sincerest condolences to his family during this difficult time.
