“ *"I'm so sorry to hear of Donna's passing. I worked with her in the Payroll Department at Herman Miller in the late 80s/early 90s. She was always upbeat and ready to laugh. I've been away from West Michigan now for several years, but I still have fond memories of those days in Payroll. Please know my thoughts and prayers are with you."*

“*To the Kossen Family-We send our love and prayers. We'll forever cherish our memories of Donna for her smile, infectious positive attitude - no matter the circumstances- her dry wit, and her laughter that was uniquely her own. For over forty years our friendship, that began with our Navy days in Milton, Florida, to visits in Michigan and basking in the January Central Florida sunshine, will last in our memories and hearts. May God receive Donna in his arms and comfort Dave, Katie, Camille and their families. With our sincere condolences and love.*”

“*To the Kossen family: I have many memories spending time in your home as a kid. The entire family was always so welcoming and I have fond memories of being with you all. My thoughts and prayers are with you as you navigate this road without your wife, mom, and Grandma. She always made me feel welcome. God bless and prayers.*”
