How heartwarming to see this video of Donna's life radiating over many decades and touching scores of lives. We are immensely grateful for the 14 years serving Roger and Donna as their pastor. Theirs is crazy love. Crazy love for Jesus, for people of all walks of life and from all corners the globe. Donna's perpetual smile was not cosmetic but flowed from deep within her by the Lord she loved. So fully engaged, alive, humble, tender, quiet. This petite lady's absence will feel crater-size. That hard fact will be gloriously offset by an immeasurable legacy down here on this side of glory. The other side? "Surrounded by His glory, I can only imagine." Her eyes will finally see that dear and blessed One her heart contemplated for so long. To all the Millers, especially our dear friend Roger, we love you! Joe and Pam Knight

“ Donna was a superb individual. Dick Westra and I so enjoyed our monthly visits with both Roger and her. She embodied the presence of our risen savior—a remarkable and humble follower of Jesus. I will sorely miss these visits. After our last visit I sent her David Phelps’s rendition of “No more Night.” She responded with, “What an amazing future we have. More than we can comprehend in this life.” Well spoken...prophetic....Donna, may you rest in peace as God’s perpetual light shines upon you, and any vestiges of darkness are swallowed up in The Light as you behold the One beholding you. Thanks be to God!

“ Such a gracious, compassionate, servanthood attitude, Christlike lady, Donna, is an epitome of a Proverbs 31 woman. Knowing her and Roger at GRIF is an honor. When my sister, Evelyn, was diagnosed with breast cancer, the Millers were great prayer warriors and helpers to her. Seeing Donna and Roger at a Work and Witness trip in the Philippines, blessed my life as they emanated the sweet aroma of Jesus Christ! You will be missed, Donna, albeit, our Lord and Master was happy to welcome His good and faithful servant!

“ I have so many precious memories of Donna-both in the US and in Guatemala, where she and Roger were such a vital part of our mission and an encouragement to Manny and me. Donna has been such a godly example and inspiration to me. Always so positive and quick to praise the Lord and express her gratitude, no matter the circumstances. I remember how she loved to minister in Guatemala, especially with the kids and the women. She was always generous, not just with her resources but also with her smile and praise and encouragement. I will miss sharing with her, but I rejoice at the thought of Donna being healthy and pain free in the presence of her dear Jesus! I can't wait to see her again in glory!
