“ *Donna was so much to so many, and I am thankful to be one of those "many." We met through her kind and wonderful sister Debbie when I was getting ready to start nursing school at DePauw. Sharing apartments for two years of nursing school, it was clear that Donna's faith in God was solid. God's love, through her, gave encouragement, her smile gave joy, her love gave hope. From running and study buddies at Bulter's campus, to camping, to a summer in Maine as nurse "externs," to piano and guitar and singing Christian songs, to supporting each other in the young family stage in Holland. She and her family have been so special in our lives. And they always will be. Our yearly letters lately kept us in touch in these full, active years. She was a forever heart friend. I am thankful God brought this dear friend and her family into my/our lives. I will miss her so much. I hurt imagining what she and your family have gone through with her illness. I am thankful heaven has another angel and we can remember her love.*

You have our sincere prayers.

In Him,

Cindy Price Lemmen and family

“ *I am thankful for Aunt Donna. I was always so thankful for the way she loved my mom by reminding my siblings and me she was always family no matter the circumstances. Over the last few years, I felt thankful for the connection we shared regarding our own cancer diagnoses. Love you, Aunt Donna! Say hi to my mom. xoxo*
