“ I am so sorry Lynne and Sheri and all the family for your tremendous loss, but rejoice your precious mom is home at last with Jesus. How my mom treasured her friendship and I always loved time spent with her too. Aunt Dot was an inspiration to all who knew her, and I'm so grateful to have visited her only last month. She loved telling me about her family and showing me pictures of great grandchildren. She will be greatly missed.”

“ I just returned from Dot's memorial service and I smiled when the pastor said the word he would use to describe Dot was "grace" because that is the first word that popped into my mind as he led up to saying that. I am grateful to have known Dot at Royal Park - she was very loved and will be dearly missed. My prayers for her loved ones will continue. Cindy N, Chaplain”

“*My mother will be so happy to see Dot again. I am sending prayers to all the family and friends who loved her. Dot was one of my mother's dearest friends and shared with me she was like the sister she never had as she was an only child.*”
