“ *"My condolences to Dorothy's family. Dorothy was my neighbor since I moved to Michigan, nine years ago. She always shared her beautiful gardens with me. Her gardens gave a beautiful sight when I got home from work and the back garden gave me a beautiful sight when I woke up every morning. Dorothy will now provide beautiful gardens in heaven."*

“Dorothy was one of my favorite customers and I always enjoyed talking to her. Whenever I saw her, she was energetic, enthusiastic and joyful. It seemed like she always had something she was working on that she was excited about. She is an inspiration to me.”

“I cannot believe that Dorothy is gone. I could hardly wait until I would see her on Sunday at church, because she was always fun to talk with. She was a really caring, sharing person. I would have loved to have been at the funeral, but will be away on Friday. Please know that I will always remember Dorothy.”
