

Doug B. Knapp

February 26, 1940 - June 6, 2024

Doug Knapp, age 84, of Holland, went home to his Heavenly Father on Thursday, June 6, 2024.

He is lovingly remembered by his wife of 39 years Margie; his children: Kristi and Steve Bareman, and Kurt and Tracy Knapp; his stepchildren: Jane and Joey Eagleston, Susie Shafer, and Jerry and Sue Reid; 22 grandchildren and 23 great grandchildren; his sisters: Darla and Harv Ykema, and Darlene and Terry Bouwman; his sisters-in-law and brothers-in-law: Jane Walton, Dick and Linda Schaftenaar, and Becky and Rick Van Eenenaam. Doug was preceded in death by his father Albertus Knapp in 2012, his mother Lavina Knapp in 2019, and his step son Bob Reid in 2017.

Doug worked with his dad on his RC Cola route and was driving a truck for him at the age of 14. He worked for Charlie Bard at the A&W drive in where he baked pies and brought trays to car windows. Doug worked for Jake Blackburn at the Sinclair Gas Station and later at Mike's Mobile. At age 18 Doug joined the United States Army. He was a driver for a General and his helicopter pilot, he also served as a guard at the Tomb of the Unknown Soldier. After his time of service in the military Doug worked again with his dad on his RC Cola Route and eventually bought the route from his dad. He sold the route when deposit on bottles started. He then worked at RC Cola in Muskegon, at Thermotron and Fort's Candies. In his retirement Doug worked

at Steele Enterprise, Macatawa Bay Yacht Club and BVW Property Management. Doug spent over thirty years as an Ottawa County Reserve Officer. He also served as the volunteer head of the Ottawa County Reserve Deputies for much of that time. If that wasn't enough, he drove school bus for West Ottawa Schools.

Doug found joy in boating. He and Margie spent thirty years cruising Lake Michigan on their boat "Knapp Time" where they made many wonderful friends. Doug also served as the Commodore of Anchorage Marina twice. In his spare time he did woodworking, creating beautiful pieces for his grandchildren, friends, churches, and auction fundraising at Anchorage Marina.

Doug's kindness, integrity, and love will forever be remembered and cherished by all who had the privilege to know him.

“ *Mr. Knapp and my Father served the community together for almost two decades at the Ottawa County Sheriff Dept. I lost my dad on June 7 last yr. Mr. Knapp came to say goodbye to his old partner at the funeral home and we shared some great memories together of time they served. I'm sorry to see he passed away almost exactly a yr later. Thank you Sir for serving the community and being a long time friend of my Father. Condolences to the family.*

“ *Doug truly never met a stranger. He was a mentor to many, and exemplified kindness, tolerance and grace. Because of Doug, I now know how to make a killer Manhattan, (in case that ever comes up).*

Until we meet again, may God hold you in the palm of His hand.

“ Add "wonderful neighbor" to all the things that made up Doug. Whenever I walked my dog past Doug and Margie's house, I could always count on Doug having a friendly smile and a dog treat ready. Many, many wonderful conversations about the neighborhood, life, and families. I marked the seasons by when he put out and took back the seagulls in their front yard. I often those seagulls. What a life he lived. What a contribution to our world he made. What a loss we are all feeling over his passing.

“ We knew Doug from his time at Macatawa Bay Yacht Club. He ran the ground maintenance team which was made up of high school age students... Doug spent the time teaching the young kids how to do their jobs above and beyond expectations.. lessons they could use in life. .. So you can add mentor and teacher to his resume.. Doug we will miss your smile and hearty "Hello"

“ *Doug,*

I remember the day that we joined the Army together. You passed and I failed! This was always good for a laugh later on in life.

Take care,

“ *Sincere sympathy to the entire family. Think my first 'real' job was working with Doug at the Royal Crown distributorship. I remember starting very early and all was manual handling, no high lows, warehouse was a block building with low ceilings so placing cases of pop on the top rack was done bent over, no room to stand up. All fun!! My Dad built a storage shed at the trailer park Doug managed. Doug was a great guy and as others have said, a sense of humor and always a smile. Wish I knew earlier about his military service and other life experiences so we could have talked. Last saw him years ago in the aisle at a big box store. All fond memories.*

“ Margie and family..my most sincere condolences on the passing of Doug. What a sweet, wonderful, fun man to have had the privilege of knowing.

We always greeted each other with "hey buddy" which began with the greeting my parrot Kito greeted Doug with. Doug was Kito's favorite male human. He will miss Doug tremendously as will I. It was a privilege to know when I needed a " parrot sitter" I could always count on the two of you with the knowlege he would be well taken care of and loved. Always loved and forever missed. Love, Thea and Kito.

“*Doug was a very special cousin to me. He was the only one who ever called me Minnie. I think it was for Minnie Mouse. He had beautiful humor. His mom and my mom were besties and sisters. I treasure the memories that we had together with that extended family. I'm praying for God's powerful comfort right now for his whole family. Until we meet again in heaven!*”
