“ *To Dougs family i am so very sorry for your loss. i had the great pleasure of working with Doug for many years at Prince. i worked directly with him when he started. a great hard working individual. then later years had the pleasure of working with him as he built molds and helping with making parts off of them on first runs. he was very dedicated to his work and his family. I know he struggled for many years with his health.  
May he be at peace now

“ *Many good memories of Doug over our career together. He always had a strong faith and lives by it. He was totally committed to his wife and was great example of love for your spouse. So many faithful beautiful conversations I have had with him over past few years. He never said goodbye with out saying love you brother . He is resting and waiting for us to meet him in heaven one day.*

“ Laura,  
*I'm deeply saddened by the loss of Doug. I rejoice that he is now in Heaven with his Savior and also with Patricia. It's been almost 2.5 years since we lost Pat and now we mourn the loss of Doug. I pray that you can take refuge in our Lord Jesus Christ. May He give you peace and Love during this time and the weeks ahead. I'm sending a virtual hug from Texas. I'm available anytime if you want to talk.*
