Dr. Notman was known by family, friends, patients, and his community as a man of deep faith, wisdom, and expertise. A lifelong outdoorsman with a deep love for nature and craftsmanship, he raised sheep for nearly forty years and found joy in woodworking in his shop. An avid reader, he was rarely far from a good book and always had a life changing book in hand to pass along to others.

Professionally, Dr. Douglas D. Notman was a distinguished endocrinologist who practiced and lectured throughout both the United States and Europe. He excelled in diagnosing complex cases and the interworking of the endocrine system. He enjoyed the frontiers of medical research, as well as teaching interns, residents, and the next generation of doctors. He began in the field of endocrinology after numerous fellowships and was still seeing and treating patients at age 84 through his private practice.

Dr. Notman's life was marked by his investment in people. From his early days as a Boy Scout to serving as an Assistant Scoutmaster of Troop 21, the Boy

Scouts had a profound role in his life. He faithfully mentored and encouraged generations of young men, like he had been. He deeply loved his family and intentionally pursued meaningful conversations that challenged and encouraged them to grow in faith, character, and wisdom.

Above all, he loved Jesus Christ and lived with a steady confidence in the promises of God. His faith shaped every area of his life, and he was at peace as he looked forward to his eternal home with his Savior.

He was preceded in death by his sons, William Notman and Jeremy Notman.

He is survived by his wife of 60 years, Elizabeth Notman; son, Hugh Notman; Hugh's children, Tyler and Beth, Paige, Parker, Brooke, and Brady; daughter, Kerrie and Jon VerLee; Kerrie and Jon's children, Ella, Easton, and Emmie; brother, Rob and Mary Notman; and many nieces and nephews.

Visitation with the family is from 4:00-6:00 pm on Friday, June 12, 2026, at Yntema Funeral Home 251 S. State St. Holland, MI 49464.

Memorial services are at 11:00 am on Saturday, June 13, 2026, at Central Wesleyan Church (Chapel) 446 West 40th St. Holland, MI 49423.

Burial to take place in Zeeland Cemetery.

“ We are saddened to hear of Dr Notman’s passing. I first met him in 2007 when he treated me for hyperthyroidism. Because of his expertise in treating me, I have never had to take any medications. In the last several years, I was able to get yearly checkups through his office in Zeeland. I was always very satisfied with his care. Not dealing with insurance was a blessing. He was a very loving and caring person, who will be sorely missed. But we are comforted by the knowledge that he is with The Lord.
