“Darla and family. Sorry to hear about Earl. I had no idea until Shane Hammer from Frank's told me and I was shocked. I remember when Earl and my dad and I bowled together. Then on Saturday afternoon's and during the evenings Earl and I would go for coffee and at times riding our bikes to Frank's. I'll also will remember when what he would do with his teeth to freak out the waitresses at Frank's. He will be missed and it will be odd the next time on a Saturday that I go to Frank's and expect him to ride in on his bike. My condolences to you and your whole family.”
