“ *"For the fifteen years that I have been at resthaven, I was always greeted with a handshake and a "hey-buddy boy! Years ago he would go downstairs to play pool with some of the guys. You could hear him laughing and giving them encouragement-even when they were on other sides. Edgar was an inspiration..and a lover of anything baseball..especially the Tigers. He will be missed by me and everyone at the Warm Friend and Resthaven. Shalom, Edgar"*

“ ”
We knew Edgar from bowling at Holland Bowling Center, and also from Resthaven. He was a very polite and lovable person. I will miss his smile on Wednesday mornings at Resthaven, also his request for a cookie please and a half a cup of coffee. May God be with you and comfort you."

“I want to express my sympathy to your family. Edgar was my dad's neighbor at Resthaven Care Center. Dad, Jack Van Heest, so enjoyed Edgar. He was a Tiger fan like dad so they did a lot of sport talking. We enjoyed talking with Edgar when he played his marble game with Matt every Wed. So sad that Edgar died only two weeks after my dad. May you feel God's love and care at this time. In sympathy, Marianne Bouwens”
