“ *"I am so grateful to have known Edith when she lived at Royal Atrium. Her laugh was contagious and no matter how she was struggling, when I'd ask how she was doing, she would say "I'm doing!" She loved when her sisters were there and laughed when I accidentally called her by one of her sister's names. I was not into work for a bit due to my son's graduation and was so surprised to hear she had been hospitalized and then passed so quickly. I will miss her and will keep her loved ones in my prayers. Sincerely, Cindy N, Royal Atrium chaplain"*
