“ Although I only saw her a few times due to the fact that I lived in another state, she was a good friend to my Mom, Manuela Morales. I'd hear stories and you felt like you knew her. I remember when she and Zuke met, and got married and how all of her friends were so worried about her because they'd not known each other for very long and how they were always trying to set my Mom up with some so that she wouldn't be lonely. She was an awesome lady. May she rest in eternal peace. She will surely be missed by those whose life she touched. Rest in Peace my friend.
