“ *"I just wanted Alan to know that even though you were miles away, you were very close in your Grandma's heart. She spoke of you often. Be thankful you carried that deep relationship with her and your Grandpa."*

“ *"Our family moved into the Maplewood area in the 1960's. That is when we met the Caauwe's. We became good neighbors. When my father passed, my mother was left alone raising 7 of nine children on her own. Mrs. Caauwe went door to door asking for assistance to help my mom. What a blessed lady! She will be truly missed, but happy to know she will be reunited with her family. Welcome home, Mrs. Caauwe!"*

“ *"So sorry to hear this news. Bob and Ike were good friends of my folks many years ago. They spent time antiquing and going out to dinner. Ike was a sharp dealer and knew her stuff in the antique world. She and my Mother had a lot of fun together. RIP"*
