“ *"Dear Bob, Luann, Paul and families. Ah, what memories we have of Eleanor. She was a vivacious and caring friend and teacher who represented all that is good. She gave not only knowledge but life skills to her students and created a desire for learning in them. Her sense of humor as a staff member at Longfellow carried us through the day, even when the going got tough. She will be missed but never forgotten. A true gift from God to those who met her. God Bless."*

“I had Mrs. Hughes when I was in 1st grade (1991/1992 school year). She was by far one of my favorite teachers. She has such a passion for teaching and making school fun for her students. Part of the reason I decided to go in to teaching was because of her. Even after graduating high school and throughout college I would run in to her at the supermarket and she always knew who I was and we would chat for a few minutes and she was always so kind and encouraging. My deepest condolences to your entire family. She was a beautiful, kind, loving, and passionate educator. She will be missed deeply Kelly (Schroeder) Wendzel”
