“ *When Ellen was the director of the children's Science Center in Ocala, FL, I was one of her volunteers. Ellen was a wonderful leader and took pride in leading children's educational projects and took great joy in also leading the downtown's Center For The Arts. She encouraged and advised me in my own decision on choosing a college, and I'll always be grateful for her support!* ”

“I knew George and Ellen from the Light and Life Wesleyan Church in Three Rivers, Michigan. George led the praise team, he and Ellen both played the piano and were great influences in the church. When I was in hospital with pneumonia, George created a CD for me which I still have called "Be Still." I know they are both doing great things in Heaven with their music. Prayers of comfort for the families.”

“Ellen and I shared the same birthday. This gave me the opportunity to go to Holland, Michigan and meet her family. Shortly after that she led me to the Lord. I have very fond memories of her and George. She and I lived just down the hall from each other when we were in college. She was a great friend and I will be forever grateful for her testimony. A very talented lady.”

“*Seeing Ellen Gilchrist leave is such a sad event. I sang with George and Ellen for many years here in Ocala and it was such a wonderful time that we had singing for people here in town. Ellen would play the piano often (so beautifully) and George would select music for us to sing at all kinds of places. I loved singing with George and Ellen because they loved music as I did. For the last 4-5 years, I would call and talk with Ellen on the phone. I am thankful now that Ellen can find peace in the arms of Jesus. I will always think of her and how much she missed George. Peace and love to the family of this talented and loving lady. God's blessings to all. Love, Suzanne and Joseph Bryant.*”

“Lots of great memories visiting Ellen along with my mom at Royal Park. Ellen loved to meet us for coffee, sometimes in the cafe, sometimes at moms and other times in Ellens unit. I think the most fun Ellen had with us, was when I brought her to a movie, got her a large popcorn and Diet Coke. She talked about that for a long time. Although Ellen had many physical ailments, she never complained about her health. She was very sweet and will be missed. Rhonda Wheeler”
