“ I do not know you at all, but it is so obvious by that beautiful and heartbreaking photo that your sweet baby is so loved and cherished. And she was beautifully made by our Creator. Thank you for showing all of us how precious each life is. Prayers for comfort.

I do not know you either but we have, too, have experienced this loss. Our Daniel John Folkert was born sleeping on Dec. 23, 1980. We were about 23 1/2 weeks into our pregnancy. He was our first baby. The next day, his younger cousin also arrived in heaven after a very premature birth and in March of that same year a 2 day baby girl cousin was also welcomed into heaven! 🙏
