“ Eric was a good friend of mine growing up as a kid in Holland. As we got older we lost communication, but I know Eric always had a good heart . He was always looking out for other people. I hope for peace during this time for the family . Good people will always be remembered!

“ Eric and I worked together at the Grand Coney for the better part of 5 years. He was always a spot of bright light, even on the darkest days. I will remember his smile and his unfailing sense of humor. Jokes for days and smiles for miles. Rest easy, brother ❤️
