It is with heavy hearts that we announce the passing of our mom Erminia Adame Orozco, a true pillar of Jesus Christ. Erminia (Minnie) a devoted wife, loving mother, and cherished grandmother and great grandmother, passed away peacefully on May 1, 2025, at the age of 77. Erminia (Minnie) life was marked by her unwavering kindness, her infectious gift of giving, and her dedication to her family and faith. She touched countless lives with her generosity and her unwavering support for those in need. She leaves behind a legacy of love and kindness that will continue to inspire us all.

My mom had a passion for her faith & family. She worked very hard to keep a roof over our heads and food on the table. "Old School Pioneer" type, you know, they don't make 'em not that anymore. She loved going to church and visiting her family in Texas was always a must. Mom didn't have much of an education as she dropped out of school to help take care of the younger siblings. She enjoyed her puppy Lucas and taking long walks with him. She also enjoyed going to Rivertown Mall and just walk around for a while, gosh, anything to get out of Holland for a bit. lol

The doors to moms house were always open to whomever wanted to come over and visit and even needed a place to stay. She had a huge heart and was very giving to anyone who needed it. She gave to many charitable non-profits and organizations, churches, evangelists and missionaries. She never hesitated to open her purse and give it away. She was a very emotional person and was the kind that "wore her heart on her sleeve" type.

“ *Tia Minnie was truly one of a kind! Her infectious laughter would fill any room she walked into. Her generosity was truly inspiring. Every-time she would come visit us in West Texas we had a ball; from cooking breakfast, planting flowers, eating out or going shopping for anything with the TEXAS logo on it! She will forever be missed by each one of us. Love ya - Sam & Christina Segundo & Family*
