“ *"My dearest Esther, It has been my honor to take care of you and make sure you always had a smile on your face. It's not easy to be an aide yet it is the most rewarding . I will never forget your stories you would tell me of you and mick to even when I would tell you that you were pretty or beautiful and you would always say I am lying (hahaha) thank you, Esther, for always bringing joy to my heart and being a friend not just my resident . I am so happy that you will be with Jesus dancing, singing, PAIN FREE. Until I see you again, love you"*
