“ This comes as such a shock! As most folks do today who have not heard from friends and acquaintances in many years, one turns to the internet. Back in the day I was an extended member of the Flipse friends "posse" as a friend of Adrienne (and her parents) and Roger, and by extension Brett, Laura, and Bill. In fact I fondly remember Joann's pregnancy and the excitement that brought. To Brett and JoAnn the most sincere of sympathies to the both of you and the extended family Neil Lipes.

“Oh my goodness...I am so sorry for your loss and mine. I babysat this beautiful child and he was always the most sweetest and smart little boy. I enjoyed watching him grow via Facebook and sorry I didn't stay in more contact. Brettman and his siblings were the reason I knew I wanted to be a mom. RIP, sweet sweet boy. Every time I see an old school Gameboy, I will think of you. Hugs and love to the family.”
