“ *"I had the honor of meeting Florence at some of the places she had stayed in the past year or so. She was delightful and so warm and caring. We prayed together often about concerns she had for her family. She would always say "I love you" which was so heart-warming. I will keep her loved ones in my prayers. Sincerely, Cindy N, Chaplain"*

“ *"Florence was such a joy to so many. One of our highlights at church, was getting a Florence hug! They were the best in the world as they changed how you felt about the day!. What a blessing she was to us. We will miss her smile and her joy in life and in our Lord. Our heart goes out to you in your loss. We celebrate with you as she is dining at our Lord's table, where he is undoubtedly telling her, "Well done, good and faithful servant." We will miss her greatly."*

“Hugs and prayers to all of you. I will miss aunt Florence, she always had a smile and a hug. So glad I could spend some time with her recently. Her faith was strong and we prayed together that God would keep her pain-free and help her on the journey home. We can be consoled that she is now in the arms of her Lord and at peace and completely healed.”

“Aunt Florence will be missed dearly but will always be in each of us because she loved and touched us so deeply. I'm sorry for everyone's loss and know she's with our Lord and family still. She's led the family by her faith and guidance and a heart overflowing with love. We will miss her at reunions she's been a leader of and Mary, Karisten, Mom, and Aunt Deb at the Meekhof girls dinners. Wishing you all peace and love during this time till we're reunited again in God's kingdom. Love and God bless you all, Steve & Mary Griegelis and kids.”

“I truly enjoyed the short time that I got to know Florence. I will miss the way her smile just made my day. I will always remember when I could get a little down time and watch the Tiger's with her. My sympathies go out to each one of you. Thank you so much for letting me be a part of her life, even if only for a short time.”
