“ *I'm so sorry to hear of the passing of a very sweet lady. When I was younger, I visited the Cuellar home frequently and Mom Cuellar would always greet me like I was part of the family. Always kind and considerate.*

For now, she leaves us, but this is temporary. We will see her soon. Welcome home!

“ Condolences to the Aguilar and Cuellar family on the passing of your mother, she was a beautiful Godly women. She was a great mother figure and a great friend.
When I would go visit Frances we would always reminisce on our days when we used to work together and our little adventures we used to have which I will never forget.
She would always say a prayer for my family and anyone else that needed prayers. I still have a prayer book that she gave me which I will cherish. The Lord received an amazing angel the day Frances past ...we will truly miss this beautiful lady.

“ I was so sorry to hear about Dña. Frances. She was truly an extraordinary woman and admired by everyone who knew her. I will always remember the impact she had on so many during her years at InterCare; always able to lift spirits with her prayers and words of wisdom. Patients often sought her out as they quickly came to love and respect her as much as we did. Dña. Frances took care of so many over the years. She was a gift to everyone who ever met her and encouraged others to be the best they could be. Something so clearly reflected in her own family's life successes. May she rest in peace and continue to guide your way in life. With sympathy, Sarah Bass

“ We are so saddened to hear the new of Mrs Frances, she was very loved and by our family, we share the fondest memories of her. Always with her kind smile and positive message. I remember she always knew of my pregnancies even before I learned of them. If ever I needed advise or a word of encouragement, she was always the one I turned to at work. Her light and love for the Lord and others was very apparent in the way she lived and loved. Our deepest sympathies are with your family in these very difficult moments. ❤️

“ Cuellar family I am so sad to hear Dona Frances is no longer with us physically. She was a blessing to so many families including mine. Her and Don Joe were very special people that had advice and comforting words for so many of us here in the community. Having known your family for so many years, they were so proud of their children and grandchildren. May God give you patience and strength in the following days. She will be missed. My daughter Yesenia and son Ilan had so much interaction with them, all good. May God have her in eternal peace.

I am so sad to hear, but happy that she is with our Lord and Savior. Frances was my interpreter at ICHN. She had a beautiful way of connecting with her patients and she could write a book about the stories she was told. She was a prayer warrior and God spoke to her about things to come and would cover that person in prayer for safety. She will dearly missed... such a beautiful woman of God! Inside and out. Prayers for her family as morn her leaving and celebrate her life 💗
