“ So sorry to hear of your loss. I have thoroughly enjoyed my visits with Fran. We would always laugh at the simplest of things. She kept up with my family and wanted to know what was the latest thing going on. I am happy to have had a friendship with Fran.

“ Aunt Frances was an absolute gem. I didn't have the pleasure of knowing her more personally until just these past few years. We exchanged cards and letters. She would tell me of her life and I would tell her of mine. She never missed a beat and took such interest in building connection. That is something I will never forget. Truthfully a lesson we can all take with us. Frances never had a bad thing to say. Her letters always spoke of how blessed she felt. It was a blessing to know such a beautiful lady. She will be missed dearly!
