“ Gabbie was a bright light in the memories of our family on the sports field. Whether it be a Gus Macker tourney, an extra soccer practice, a club team, or, in later years, a school team sport, there was so much fun to go around playing together. She was a force and her friendship was special to us. We will remember these times dearly! We are grieving with the family and send our love and condolences.

“ Gabbie was an absolute gift and she brought light into every room she walked into. Getting to know her over the past year of working together has been amazing and I’m so grateful and honored that I was given the gift of Gabbie. Yo Gabbie Gabbie was the best kind of best friend that you could have and she was always there for me no matter what. Not a day went by where she didn’t come into my office and say “love you pookie” and made a heart with her hands. Forever will love and miss you Gabbie ☐

“ I have no words to express how deeply sorry I am to hear about Gabbie’s passing. I remember when you brought her into work and her little infant carrier when she was a tiny little baby. She was beautiful then and I was able to watch her grow into a beautiful young woman thanks to social media and the occasional wedding and baby shower. My thoughts and prayers are with you.
