“ *"So very sorry to hear about George's much too early passing through his sister Tammie. Our family has been keeping him in our prayers while he courageously battled his cancer diagnosis. Although there are no words that can adequately convey our sympathy for the De Groff family's profound loss, we know and firmly believe that George is now held tight in the arms of the Lord as he watches over his loved ones."*

“ *"George and I reconnected 3 years ago. We went to high school together. We have a lot of the same interests. I loved his Alaska trip. We got an opportunity to go to a Hope College Holiday Tournament game and had a great time. I also got to join George fishing this spring. He was a great guy to talk with and loved his family. He will be missed."*

“I am so sorry to hear about George and his passing. We were neighborhood friends growing up in Holland Heights many many years ago. He was my first friend, and I really have such great memories of our silly kid times together. Outdoors always!!, and playing with trains indoors if we were inside! Sending my love and prayers for you all at this time. Georges' family were always so kind.”
