“ *"My dad was the best dad a girl could have! He loved his kids and family more than words can say. He loved flying, playing baseball, piano and going to Vegas. His legacy of humor and "dad" sayings lives on through his kids,--fond and fun memories were shared as we celebrated his life. Today, Thanksgiving 2016 my dad is having a great day in heaven - " when we've been there 10,000 years bright shining as the sun , we've no less days to sing God praise than when we first begun" Life is short, eternity is long I'll see you soon dad Geeidunne"*
