“ *"I remember George from visits to Parkview Home for Christmas parties and other events. We would sing Christmas carols but we would also always sing "Barbara Ann" by the Beach Boys. He could keep a perfect beat with a tambourine to any song. His smile was infectious. My sympathies to his loved ones. Sincerely, Cindy Nyhoff"*

“ *"Georgie lived with us at Parkview then at Village View. He had the most perfect ear for music! He loved the Beach Boys and could keep perfect timing to the beat of any song! He loved to tease his fellow "brothers and sisters" and had a smile that could light up a room!"*

“ *"I was the caregiver at Parkview when George came to live there. We have so many great memories of George. He loved to dance and loved music. He was a special part of the family there. He's now back with Mom and Dad and friend Marcia and most of all the Lord! So sorry for your loss. We were Blessed to have known him. Dave and Pam Veldheer"*

“Our thoughts and prayers are with you as you have said your final goodbyes to George. We have many sweet memories of George as he shared a very special friendship with Marcia. Marcia was called to her eternal home in March 2016. Now we can rejoice that they are both free of their limitations and are with their Lord and Savior. Ron and Iris Pothoven”
